

FAMILY CONVERSATIONS

Families, use this to prompt conversations at the table, in the car, and anywhere else your family experiences life together.

- What's a song that reminds you of our family? Why that song?
- What song reminds you of God? Why that song?
- What are ways our family honors and worships God? Which way is your favorite?
- If you could invite anyone to spend time with our family, who would you pick?
- God is with you when you worship Him. How does it feel knowing God is always ready and willing to be with our family?

CREATE IT!

Five-Star Review

As a family, decide which local spot (business, church, restaurant, etc.) deserves a five-star review. Then have an adult get online and head to a review site. As a family, identify specific things about that organization that you can praise. When everyone is satisfied with the review, post it.

It's fun to compliment others when they're remarkable in some way. That's even more true when we consider who God is and what He's done and is doing. He deserves more than a good review—He deserves our worship—so worship Him!

Choose a song (or two or three!) from the [Worship with Wonder Worship@Home Spotify playlist](#) and sing and dance as you worship God together as a family.

WORSHIP RESPONSE

First-Class (Mail) Field Trip

When King Jehoshaphat (juh-HOSH-uh-fat) called God's people together to pray, he had them gather outside the temple, a building that carried God's name and presence. As a family, gather for prayer at a place that carries your name: the spot where you get your mail!

Whether it's a mailbox, the mail slot in your front door, or a post office box, go there as a family to pray. Tell God about a challenge or scary thing you're facing and ask Him for His help. Thank Him for all He's done in the past and tell Him you trust Him for what He'll do in the future. God is with you when you worship Him, so He'll be there with you!
